

User Experience Views

Home Page:

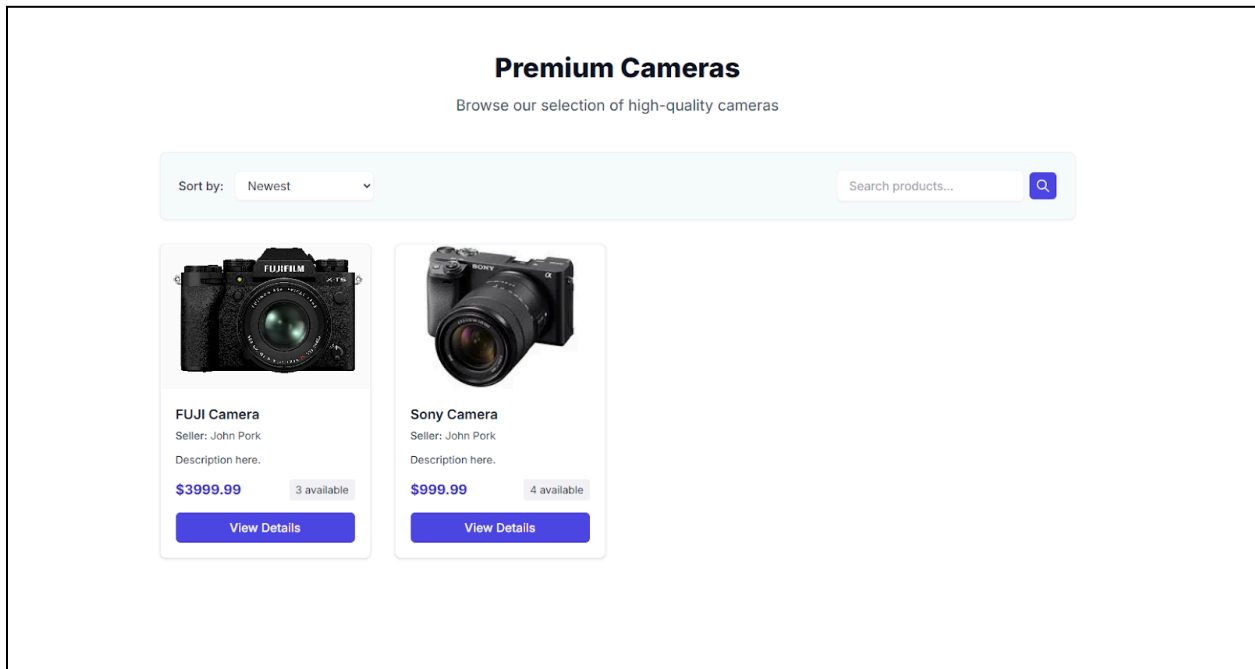

This will be the landing page. Users can see what our project is about. From this page, they can go to the login and register pages. They can also go to our About and Contact pages.

Authentication Page:

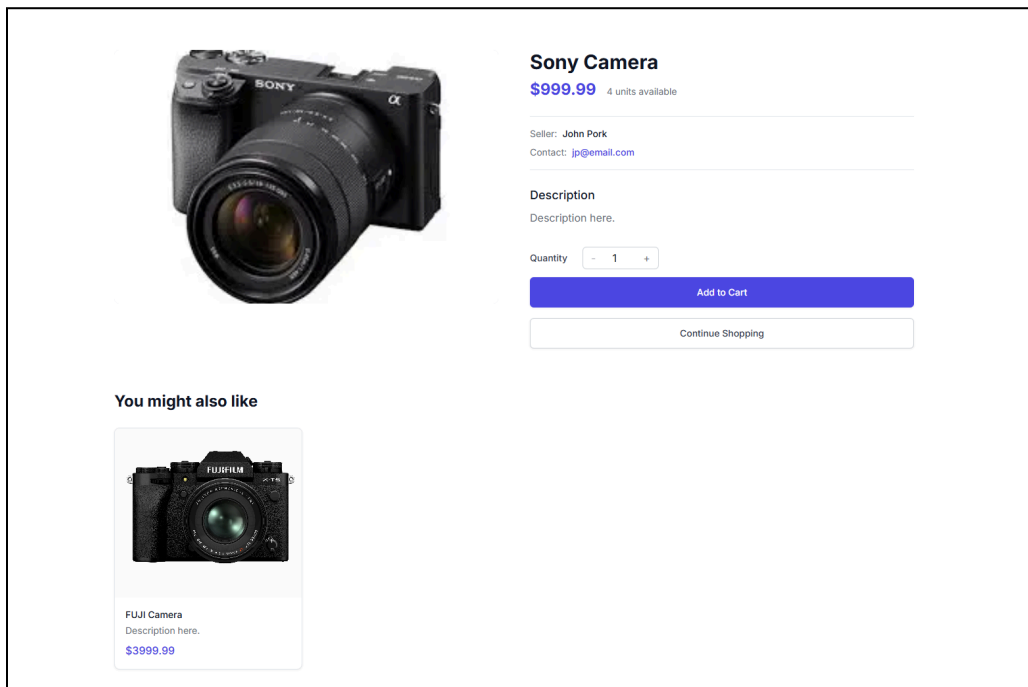

This will be the page where users will sign in / sign up to the website. We will have the same navigation bar on this page as well.

Product Listing Page:

Here on this page users will be able to see the listed products and click to see the product details.

Details Page:

Here users can see the details about a product and add it to their cart.

Order Success Page:

[← Back to My Orders](#)
